

JANCRIS PAUL A. OPORTO

PK2, General Trias City, Cavite • 0991-810-0907 • oportojancrispaulavila25@gmail.com

SUMMARY

Detail-oriented Computer Engineering student with hands-on experience in data analysis and web development. Proven ability to build responsive websites using WordPress and Webflow, and to clean and visualize datasets using Excel, Python, and Tableau. Skilled in using modern tools and platforms across analytics, machine learning, and web technologies to deliver data-driven and user-focused solutions.

AREAS OF EXPERTISE

- Data Analysis & Visualization (Excel, SQL, Python, Tableau, Power BI)
 - Database Management (MySQL)
 - Web Development – HTML, CSS, JavaScript, PHP
 - Machine Learning & AI – TensorFlow, YOLO
 - Responsive UI/UX Design – Figma, Webflow Designer
 - Content Management Systems – WordPress (Elementor)
-

WORK EXPERIENCE

Junior Data Analyst, Simply Source (US-based job)

Oct 2024 - Feb 2025

- Prepared structured datasets for DDS dashboards used in data visualization by cleaning and formatting the provided healthcare data.
- Used Excel and Google Sheets to clean, validate, and standardize data, ensuring accuracy and compliance with healthcare data standards.

Web Developer, Startuplab Business Center (OJT)

Jul 2024 - Sep 2024

- Designed and developed a mobile-responsive campaign website using WordPress and Elementor, tailored for local election branding.
 - Collaborated with UI/UX designers and backend developers to improve website functionality and user experience.
 - Ensured SEO optimization and analytics tracking using Google Search Console, contributing to a 65% increase in page visits during campaign season.
-

EDUCATION

Bachelor of Science in Computer Engineering

Sep 2021 - Present

CVSU CCAT Campus

- Focused on automation, data systems, and manufacturing technologies

Science, Technology, Engineering and Mathematics (STEM)

Aug 2019 - Aug 2021

Notre Dame Of Trece Martires, Cavite

- Emphasis on engineering fundamentals, structural design, and technical project planning
-

ADDITIONAL

Certifications and Seminars

- National Certificate II in Computer System Services (NC II)
- Human Mission: Behind Cybersecurity – SOAR Engineering, Cavite State University
- Introduction to Cybersecurity – Cisco Networking Academy
- Data Analytics Essentials – Cisco Networking Academy
- ASEAN Data Science Explorers – SAP Analytics Cloud & SAP Build Apps Training
- Basic Computer Application – Provincial ICT Office, Cavite
- Webflow 101 Certification – Webflow University

Technical Skills

- MySQL
- MS Excel
- Python
- Tableau, Power BI
- HTML, CSS, Javascript
- Wordpress, Webflow
- Figma, Canva
- TensorFlow
- GitHub, Kaggle
